## Adopt a Tree

Provide a living tribute through a donation of \$850 to the Adopt a Tree program. Adoption of a tree on the Providence Heights grounds includes a plaque with the name of the person being honored or remembered, your inscription, and the tree type. Walking the grounds provides all who visit an opportunity to reflect on God's expression of love as seen through the earth's resources. Your adoption of a tree will help the Sisters to replant, preserve, and care for the property that has been home to them since 1927.

## Name a Bench

For a contribution of \$1,200, a granite bench pays tribute to a loved one. Each bench, installed on the Providence Heights grounds, is engraved with your inscription, the Community logo and the words "Making God's Providence More Visible in the World." This lasting memorial honors your loved one while acknowledging the mission of the Sisters of Divine Providence.

## Engrave a Paver

Engraved brick pavers are a lovely way to remember someone special. The bricks are engraved and installed in the walkway around St. Anne's Park, or the Sisters' Walkway, located in the Meditation Garden next to Kearns Spirituality Center. Consider honoring or remembering your loved one, friend, or colleague for a donation of \$125. Pavers can be personalized with up to three lines of text.
